DESCRIPTION

The 2014 Toyota Prius Alpha is a brilliant choice for anyone wanting efficiency without compromising on space. Based on the renowned Prius platform, it brings a more practical, family-friendly layout to the table, making everyday driving and longer trips far more comfortable. With its smart design and effortless hybrid performance, it's a vehicle that feels easy to live with from the moment you get behind the wheel.

With just 55,000 miles on the clock and 2 previous owners, this Prius Alpha is ideal for those looking for a well-maintained, low-mileage example. The hybrid system delivers excellent real-world economy, while the added cabin space gives you the versatility you need for passengers, weekly errands, or luggage for days out. It's a practical everyday car that still delivers the driving refinement Toyota is known for.

In terms of condition and ownership, this vehicle comes with a sensible history and has been kept for two owners before being offered for you to enjoy. If you'd like to see how it drives and inspect it in person, don't hesitate to get in touch—enquire today or arrange a viewing at your convenience.
